ICDECS-2019

Doctoral Conclave-Call for participants

The Doctoral Conclave of the 3rd International Conference on Data Engineering and Communication System (ICDECS-2019) provides a forum for Ph.D. students to discuss their research and career objectives with the renowned research community in their field. It enables the doctoral students to establish new contacts and collaborations with senior researchers in the community and to get exposure to career options in both academia and industry.

The Doctoral Conclave will be a half-day event, with a 20 minutes spotlight oral session for each student to brief their research wok, followed by interactive discussions with the senior researchers. Interested researchers are invited to register through the given website link.

NOTE: Scholars will get input/suggestions/directions from the experts for the research work. This won't result in publication either in Journal/conference proceedings.

Who can register?

- We encourage submissions from Ph.D. students who are already working on their dissertations with some results already published or close to publication.
- We encourage students who have registered for Ph. D, not started the work yet to get diverse ideas.
- The authors submitted paper to ICDECS-2019 conference are exempted from registration fee for this Conclave.

What to submit?

To apply for the Doctoral Conclave, please submit:

- A research statement to summarize research topic (max 1 page).
- If paper is accepted in ICDECS-2019, paper id.

Important Dates

- Submission deadline: November 10th, 2019
- Notification of acceptance: November 25, 2019
- Doctoral Conclave date: December 19-20, 2019

Registration Fees

Rs. 3000, inclusive of registration kit, lunch and technical sessions on both the days.
